

Arto Järvelä: Concert and Workshops

World-Class multi-instrumentalist from Finland, Arto Järvelä, is coming to the Kettle Moraine State Forest! He plays fiddle, mandolin, mandola, guitar, kantele, etc and plays with several groups including JPP, and the Helsinki Mandoliners. He will be teaching workshops in the afternoon- one for fiddle and one mandolin (other string instruments are welcome too- main focus is mandolin). The workshops will be followed by a concert in an intimate setting. Here is your chance to see and learn from a master musician.
