Lonesome Road Blues

from Da Costa Woltz's Southern Broadcasters

I
Oh I'm going down this road feeling bad
IV I
Oh I'm going down this road feeling bad
IV I
Oh I'm going down this road feeling bad
V I
And I ain't gonna be treated this-a-way

Oh it's way down in jail on my knees
Oh it's way down in jail on my knees
Oh it's way down in jail on my knees
And I ain't gonna be treated this-a-way

Yes, I'm going where the climate suits my clothes
Yes, I'm going where the climate suits my clothes
Yes, I'm going where the climate suits my clothes
And I ain't gonna be treated this-a-way

Yes, I'm going if I never do come back
Yes, I'm going if I never do come back
Yes, I'm going if I never do come back
And I ain't gonna be treated this-a-way
